The **Ifo Center for Energy, Climate and Exhaustible Resources** has an immediate vacancy for a

Student Research Assistant

to assist with a research project in the field of energy economics/energy policy.

The successful candidate's tasks will include literature and data searches, compiling and preparing data sets, editing tables and scientific texts, and preparing graphics and presentations.

Candidates should be:

- Enrolled in a masters course in an economics- or engineering-related subject or advanced Bachelor student
- Interested in energy-related and economic topics
- Able to work independently
- Willing to acquire knowledge in new fields and in the use of new software tools
- Proficient in MS Office
- Fluent in English
- Interested in a longer-term position as student researcher

Working times are flexible and total around 40 hours per month at a remuneration rate between 10.00 and 11.60 euro per hour.

Candidates should send their full application to the Ifo Center for Energy, Climate and Exhaustible Resources, Ifo Institute – Leibniz Institute for Economic Research at the University of Munich, Poschingerstr. 5, 81679 Munich, email: budel@ifo.de **by March 10, 2017 at the latest.**
